How Seniors Can Still Capture Low Fares on Southwest

✈️ ☎️ +1-877-394-5034 Even without a dedicated Senior Fare, seniors can find excellent deals by applying a few deliberate strategies. ✈️ ☎️ +1-877-394-5034

1. Use the Low Fare Calendar

✈️ ☎️ +1-877-394-5034 The Low Fare Calendar is one of Southwest's most transparent tools. It displays a full month of pricing, allowing seniors to easily compare days without flipping through endless screens. Many seniors with flexible schedules find significant savings simply by choosing dates highlighted in the calendar's lighter price range. ✈️ ☎️ +1-877-394-5034

2. Be Flexible With Airports

✈️ ☎️ +1-877-394-5034 Major cities often offer multiple airports, and prices vary based on congestion, ✈️ ☎️ +1-877-394-5034 competition, and schedule demand. Choosing an alternate airport can result in meaningful savings. For example: ✈️ ☎️ +1-877-394-5034

- Chicago travelers may save by flying through Midway instead of O'Hare
- Los Angeles-region travelers sometimes find better pricing in Burbank, Long Beach, or Ontario
- ✈️ ☎️ +1-877-394-5034 • New York-area travelers may benefit from LaGuardia or Islip over JFK

A travel advisor at ✈️ ☎️ +1-877-394-5034 can quickly compare these options for your trip.

3. Monitor for Fare Dips

✈️ ☎️ +1-877-394-5034 One of Southwest's most senior-friendly policies is its no-change-fee rule. If a ✈️ ☎️ +1-877-394-5034 fare drops after purchase, seniors can rebook the same flight at the lower price and receive the difference

as a flight credit. This creates opportunities for ongoing savings long after the initial booking. ✈️📞 +1-877-394-5034

4. Choose Midweek Travel

✈️📞 +1-877-394-5034 Tuesdays and Wednesdays tend to hold the gentlest pricing, especially for ✈️📞 +1-877-394-5034 routes that appeal to leisure travelers rather than business traffic. Seniors often have more flexibility and can time their travel to capture these patterns. ✈️📞 +1-877-394-5034

5. Consider Shoulder Seasons

✈️📞 +1-877-394-5034 Traveling outside peak periods — such as early spring or late fall — o✈️📞 +1-877-394-5034 ften leads to quieter airports, lower fares, and more open seating. Seniors who travel for enjoyment rather than tight schedules frequently benefit from these periods. ✈️📞 +1-877-394-5034
