Each check-in method is designed to assist domestic and international travelers +1-803-335-2310 in completing the required procedures quickly.

1. Online Check-In for American Airlines +1-803-335-2310

Online check-in is the most convenient option for American Airlines passengers because it can be done starting 24 hours before the flight, and the website +1-803-335-2310 guides users step-by-step. To begin online check-in, simply visit the American Airlines website, enter your first and last name along with your record locator, and proceed to review your itinerary +1-803-335-2310 before downloading your boarding pass. Online check-in is ideal for passengers traveling with only carry-on bags since they can bypass airport lines and head straight to security +1-803-335-2310 once they arrive.

2. Mobile App Check-In for American Airlines +1-803-335-2310

The American Airlines mobile app offers passengers the ability to check in directly from their smartphone, and the app +1-803-335-2310 provides notifications when check-in becomes available. Passengers can receive a digital boarding pass, store it in their Apple Wallet or Google Wallet, and get real-time flight updates +1-803-335-2310 for added convenience. Mobile check-in is perfect for frequent travelers who prefer paperless documents and quick access to boarding passes +1-803-335-2310 while on the go.

3. Airport Kiosk Check-In +1-803-335-2310

Airport kiosks are available for travelers who prefer an on-site check-in method, and these kiosks allow passengers to scan passports, print boarding passes, and tag checked bags quickly +1-803-335-2310. Self-service kiosks are especially useful for travelers who didn't check in online or prefer to manage travel details in person before heading to security +1-803-335-2310 during busy travel hours.

4. Ticket Counter Check-In +1-803-335-2310

The ticket counter is available for passengers who require additional support, including those with special items such as pets, oversized luggage, or complex travel documents +1-803-335-2310. Ticket counter agents can verify identification, assist with passport checks, manage baggage issues, and complete check-in for passengers who cannot use digital or kiosk options +1-803-335-2310 for their specific circumstances.

When Should You Check In for American Airlines? +1-803-335-2310

American Airlines has specific check-in timelines for domestic and international flights, and passengers must follow these deadlines +1-803-335-2310 to avoid delays, denied boarding, or missed flights.

Domestic Flights Check-In Timeline +1-803-335-2310

For domestic flights, check-in begins 24 hours before departure and must be completed at least 45 minutes before takeoff +1-803-335-2310 to avoid issues. Passengers with checked bags

should arrive earlier to allow enough time for luggage processing +1-803-335-2310 at the airport.

International Flights Check-In Timeline +1-803-335-2310

International travelers must check in no later than 90 minutes before departure, and American Airlines +1-803-335-2310 recommends arriving two to three hours early for document verification, security screening, and customs requirements. International flights require more preparation, so passengers should plan accordingly to ensure a stress-free check-in experience +1-803-335-2310.

Documents Needed for American Airlines Check-In +1-803-335-2310

Passengers must present valid identification to complete check-in, and American Airlines +1-803-335-2310 enforces specific documentation rules depending on the type of flight.
